***“Treasured and Beautiful”***  
**Mother-Daughter Beach Retreat 2018**

Greetings Leaders!

We are excited to share with you a great opportunity for your moms and daughters. Next spring, mothers and daughters are invited to the beach for the weekend!

***Treasured and Beautiful***, is the theme for our **Mother/Daughter Beach Retreat, May 18-20, 2018**. A weekend at Fort Caswell on the tip of Oak Island is a great time for moms and daughters to enjoy time at the beach, enjoy fun activities, and be encouraged to grow in their faith.

**Gwen Smith**, our keynote speaker and worship leader, will help us discover what it means to be treasured and beautiful. Gwen is the co-founder of the conference and devotional ministry, ***Girlfriends in God***. Her new book, ***I Want It All***, “invites the reader to go after all the Christian life has to offer – to set down what is painful and choose Jesus. Seek to know his love, seek to know his ways, and open-wide your heart to experience all that he has to give.”

**\*\*NEW THIS YEAR\*\***

- Retreat includes **6<sup>th</sup> and 7<sup>th</sup> grade girls!** This is in response to the numerous requests we have had over the last several years to include middle school girls.
- **“Girls Only Time”** - Girls will be divided into younger and older age groups for Bible study and activities.
- Enjoy **TWO** nights away.
- Weekend activities that include Treasure Hunt, Campfire, Photo Snap Challenge and free time at the beach.
- Online payment option with \$5/per person convenience fee.

***Attached you will find a brochure, flyer and additional registration information.***

Our planning team is excited about Gwen Smith coming and our extended format. We know your moms and daughters will not want to miss this event. Please put it on your calendar and share with them. **Don't miss out!!** Registration opens November 1, 2017.
